

MEMBERSHIP APPLICATION NOTES

To potential members

When applying for membership you must take the following into account:

(a) Your application must be submitted to the Secretary before the scheduled October meeting.

(b) Your application will be viewed and discussed at a members' meeting either in September or October.

(c) Full time students are not eligible to be members.

(d) The Group will take into consideration certain criteria when considering your application:

- The artistic statement sent in with the application form, your CV and images of your work.
- The type of work you produce. This must be broadly classified as 'visual art' or 'fine art' and will not entail manufacture or batch-production methods for retail.
- Although not stylistically led, the group is likely to favour art that is contemporary and forward looking.
- Your level of professionalism and commitment to your art. It is not expected that members will make their living entirely from their art, but should aspire to this.
- Dynamics of the artel group itself.

(e) Successful applicants are expected to:

- Support artel's aims
- Partake in at least 50% of monthly meetings and vote on policy.
- Be actively involved with the running of artel's activities
- Communicate with other members via e-mail and for other members to have your contact details.
- Pay annual membership subscription promptly.
- Ensure their personal information and images on the artel website are kept updated.
- Understand that non-attendance, communication or involvement in any artel activities for a year will terminate continuing membership by default.

(f) Unsuccessful applicants will:

- Be able to make one appeal, stating reasons in writing.
